What is NGO Darpan ?

Portal to maintain a centralized database of NGOs.

As we all know from past few years the Government departments are **collecting many information** from each entity/NGOs, so that a reliable database can be maintained. In this step, **Niti Aayog** department has launched NGO Darpan portal to maintain a centralized database of NGOs working in India.

When is Darpan ID required ?

Raise funding from departments

If you want to raise funding from Government departments then it is mandatory to get registration with NGO Darpan portal and after filing the form get there Darpan ID. Now, other departments are also giving recognition to Darpan ID generated from NGO Darpan. In the initial phase it is optional to mention Darpan ID while filing FCRA Registration Form.

When is Darpan ID required ?

Getting registration under Section 80G and Section 12AB

In the newly introduced **Form 10A** for Getting registration under Section 80G and Section 12AB of Income Tax Act, 1961 they are asking about Darpan ID registration number and registration date.

At the initial stage, it is optional but expected to made mandatory very soon.

Benefits of Getting Registered ?

- Mandatory to get Niti Aayog registration for getting government funding.
- Improves credibility for NGO/Trust/ Society for getting donation from general public.
- Through this portal you can directly get details of ministry from which you want to avail donation/grant
- While Filing FCRA Registration and Form -10A in Income Tax Act
